

Michigan GOV Rx Card™

An Important Message for Michigan Health-Care Professionals

Patients will leave your facility today unable to afford the very medications you've prescribed to help them regain or maintain their health. The current economic situation is forcing many people to have to choose between either getting their prescriptions filled or buying food. Although many free prescription discount programs are available, they're under-utilized or misunderstood by the general public. **WJML Radio would like your help to change this by sharing the free Michigan GOV Rx Card with all your patients today.**

The Michigan GOV Rx Card is a non-taxpayer funded prescription discount card providing average savings of 28%, but as much as 75% off the regular price of brand and generic drugs, when used at local pharmacies.

BIN: 900020 PCN: CLAIMNE GRP: AAJWJML1
USER ID: CARDHOLDER'S 10-DIGIT PHONE #

Pharmacist: This PRE-ACTIVATED Michigan GOV Rx Card entitles user to all prescription drug benefits associated with the BIN, PCN, and GRP codes above. For help processing a prescription call the Pharmacy Help Line at (888) 299-5383. This is NOT Insurance.

- **The above card is active, and can be copied and used for immediate prescription savings at all national, regional, and most smaller independent pharmacies, over 58,000 in all, including Walgreen's, Rite Aid, Meijer, Walmart, Kmart, Sam's, Family Fare, Glens, Kroger, and Costco.**
- No personal information is needed to print additional free cards online at www.wjml.migovrx.com. People can request free cards, mailed to them, by calling Cardholder Service at 1-855-MI-GOV-RX.
- One card works for individuals, families, and pets too. Cards don't expire and can be re-used.
- **Everyone qualifies!** No exclusions, residency requirements, income limitations, or paperwork.
- Cardholders with prescription insurance can **get discounts on drugs not covered by their current prescription plan, during a lapse in coverage, or if they should lose their insurance coverage.**
- Those with Health Savings Accounts (HSA's), high deductibles, or higher co-pay amounts can also benefit by using this card.
- **Prescription savings can be invested with local businesses, helping to spur the local economy!**

Make an Even Bigger Difference In Your Patient's Lives...

- **Pro-actively give a Michigan GOV Rx Card to all patients**, even if they already have insurance, to save on drugs not covered by their insurance; to share with an un-insured family member; to use for pet prescriptions; or to share with someone else in need. Include with post-care or release paperwork.
- **Take-One Displays allow easy access to cards for patients** (intake and registration areas, exam rooms). Request free bulk cards and Take-One Displays at www.wjml.migovrx.com or by calling Rick Stone, at WJML, at (231) 348-5000 or Cardholder Services, at 1-855-MI-GOV-RX (that's 1-855-644-6879).
- **Tell others about the Michigan GOV Rx Card program** on your blog, website, Facebook & Twitter, newsletters and mailings to patients, and to other health-care professionals in your area. Link www.wjml.migovrx.com from your website. Content can be found at www.wjml.migovrx.com/media.
