

# Michigan GOV Rx Card™

## An Important Message for Michigan Non-profit Organizations

Your organization is in a strategic position to help us provide much-needed relief to the many people suffering from the fall-out of the economic crash of 2008. **It's safe to say your supporters/members have less money to live on today than in the past.** Some are unable to afford the very medications needed to help them maintain or regain their health. Although many free prescription discount programs are available, they're under-utilized or misunderstood by the general public – and they don't get used! With your help, we can help change this in 2012. **Take a moment to learn how free Michigan GOV Rx Card can help make a difference in the lives of everyone associated with your organization and the community you serve.**

The **Michigan GOV Rx Card** is a non-taxpayer funded prescription discount card providing average savings of 28%, but as much as 75% off the regular price of brand and generic drugs, when used at local pharmacies.

---	---

- **The above card is active, and can be copied and used for immediate prescription savings at all national, regional, and most smaller independent pharmacies, over 58,000 in all, including Walgreen's, Rite Aid, Meijer, Walmart, Kmart, Sam's, Family Fare, Glens, Kroger, and Costco.**
- No personal information is needed to print additional free cards online at [www.wjml.migovrx.com](http://www.wjml.migovrx.com). People can request free cards, mailed to them, by calling Cardholder Service at 1-855-MI-GOV-RX.
- One card works for individuals, families, and pets too. Cards don't expire and can be re-used.
- **Everyone qualifies!** No exclusions, residency requirements, income limitations, or paperwork.
- Cardholders with prescription insurance can **get discounts on drugs not covered by their current prescription plan, during a lapse in coverage, or if they should lose their insurance coverage.**
- Those with Health Savings Accounts (HSA's), high deductibles, or higher co-pay amounts can also benefit by using this card.
- **Prescription savings may end up being donated to help the cause of your organization, and can be used to help pay other bills your supporters/members may have (like food and utilities).**

### Supporters can't donate money that they're over-paying for Rx drugs.

- **Pro-actively give Michigan GOV Rx Cards to everyone you come into contact with**, even if they have insurance, to use if a drug needed isn't covered by insurance; for an un-insured family member or pet; or to give to someone else in the community who can save.
- **Place a free Take-One Display in a high-traffic areas.** Request free bulk cards and Take-One Displays at [www.wjml.migovrx.com](http://www.wjml.migovrx.com) or by calling Rick Stone, Community Coordinator, at (231) 348-5000 or Cardholder Services, at 1-855-MI-GOV-RX (that's 1-855-644-6879).
- **Mention the Michigan GOV Rx Card program** on your blog, website, Facebook & Twitter, newsletters and mailings to supporters, and to others non-profits in your area. Link [www.wjml.migovrx.com](http://www.wjml.migovrx.com) from your website. Content can be found at [www.wjml.migovrx.com/media](http://www.wjml.migovrx.com/media).
